C.A.V. ORDER

In the Second Appeal same question has been raised which has been raised by petitioners in Special Civil Application No.1248 of 1983. I have taken a view in Special Civil Application No.1248 of 1983 that the Vaidyas having the qualification of Licentiate Certificate of Bhavnagar Medical School cannot be treated to be qualified Vaidyas and as such in view of the aforesaid view taken by me, nothing now remains to be decided in this Second Appeal. No interference is called for in the judgment which has been given by the first Appellate Court. I do not find any substantial question of law involved in the Second Appeal for consideration of this Court. The matter is squarely covered by my own decision in Special Civil Application No.1248 of 1983.

In the result, this Second Appeal fails and the same is dismissed. No order as to costs.
